Bed system with kitchen Ford Galaxy (from 2015)

1. Bed system assembly

- Place the extension board on the aluminium angles on the rear side of the kitchen and fix it with the included countersunk screws. Support the extension board with an aluminium pillar on each side (pic. 1+2).
- Flap the back seats (pic. 3).
- Lift the front edge of the sleeping board a little and pull it to the front until the wooden pillar flaps unfolds.
- Place the wooden pillar on the back side the seats (pic. 4).
- Push driver's and co-driver's seat to the front and tilt the back rests.
- Unfold the front part of the folding board (pic. 5).

Note: This part flapped to the back, the front seats can be used regularly.

- Unfold the mattress into the passenger compartment...and have a good sleep on our cosy VanEssa bed (pic. 6)!

2. Storing

While driving with the folding board in storage position, make sure that the bore holes on the bottom are engaged in the fittings of the rear kitchen - especially when it is used without any seats (safety reasons). As an additional fastening, you can fix board and mattress with tension belts (pic. 7).
