

Installation guide

Kids bed -

Tourneo/Transit Custom - BJ 2018 from Facelift

1. Installation kids bed

- Move driver's and co-driver's seat to the back untill the sleeping board fits between seats and dashboard (pic. 1).
- Place the board on both seats (level height) with the cutout pointing towards the dashboard (pic. 2).

2. Fixation kids bed

- Place one support foot under the board on each side. (pic. 3).
- Thread the lashing straps through the slots in the board and fasten them around the head rests on both seats. Watch out for the straps entering and leaving the slots on the underside (pic. 4).
- Place the mattress on the sleeping board and the kids bed is ready for use (pic. 5).

3. Storing

While driving, the kids bed can be stored in the back (e.g. on the rear kitchen or rear board).
