

Installation guide

Kids bed

Viano (Fun)/V-Klasse/Vito/Marco Polo Activity/Horizon

1. Installation kids bed

- Move driver's and co-driver's seat to the back until the sleeping board fits between seats and dashboard.
- Place the board on both seats (level height) with the cutout pointing towards the dashboard (pic. 1+2+3).

2. Fixation kids bed

- Thread the lashing straps through the slots in the board and fasten them around the head rests on both seats (pic. 4).

Note: Watch out for the lashing straps entering and leaving the slots on the underside (pic. 5).

- Place an aluminium angle on both sides into the foot space (pic. 6+7).
- Therefore, stick a piece of Velcro tape to the underside of the board.
- Place the mattress on the sleeping board and the kids bed is ready for use (pic. 8+9).

3. Storing

While driving, kids bed and mattress can be stored in the trunk on the bed system or respectively on the rear board or rear kitchen.
