

Interior modules

Camping without any chaos - well organised and everything to hand!
 With VanEssa interior modules, you can organise your camping holiday simply and easily.

Basic corpus

Each of our basic modules consists of a fixed carcass with three drawers and an extending table.
 The drawers can be chosen individually and combined with each other.

T1 wardrobe

T2 toilet

T3 kitchen

① storage drawer

② extendable table

③ storage

④ drawer*

⑤ optional for each tower possible: side folding table

optional for each tower possible: ⑥ top closet or ⑦ coffee bar

storage drawer

extendable table

storage

metall drawer incl. WC*

storage drawer
incl. waste watertank

extendable table

storage opt. with cooker

metalldrawer for coolingbox *

④ lower drawer*:

Instead of the fixed drawer, there are also sheet metal pull-outs.
Depending on the configuration, these are suitable for WC and/or cool box.
Optionally, there is also a storage box for the sheet metal pull-out if the WC or cool box are not used.

**WC, cool box and storage box insert can be used in alternation in the module.
The desired option must be specified when ordering.**

Later modification of the module tower is not possible or only partly possible.

fix storage drawer

Sheet metal pull-out & open cabinet rear panel for cool box

Storage drawer insert for sheet metal pull-out

Sheet metal pull-out with BI POT WC and WC front

Alternative: sheet metal pull-out with dry separation toilet
